

IN SAFE HANDS

Your most valuable asset is your family. Control4 premium automation solutions can give you complete control over all the systems and devices in your home so your treasures are always safe and secure. Stay in-the-know with 24/7 home monitoring from your smartphone. Make sure your kids didn't leave the garage door open—or, if they did, close it instantly. View your security cameras any time, from anywhere and get text alerts based on certain actions, whether it's when your teenager gets home from dance class or the dishwasher springs a leak. Smart home, happy family. Control4.
